I. GENERAL INFORMATION

Why did I receive this Proxy Statement?

The Board of Directors of Bristow Group Inc. (the “Company” or “we” or “us”) is soliciting proxies to be voted at the Annual Meeting of Stockholders (“Annual Meeting”) to be held on August 5, 2009, and at any adjournment of the Annual Meeting. When the Company asks for your proxy, we must provide you with a proxy statement that contains certain information specified by law. We are mailing this proxy statement and the enclosed proxy card to stockholders on approximately June 19, 2009. All proxies in the enclosed form that are properly executed and returned to us prior to the Annual Meeting will be voted at the Annual Meeting, and any adjournments thereof, as specified by the stockholders in the proxy or, if not specified, as set forth in this proxy statement.

What will the stockholders vote on at the Annual Meeting?

The stockholders will vote on the following:

- election of the nominees named in this proxy statement as directors; and
- approval and ratification of the Company’s independent auditors.

Will there be any other items of business on the agenda?

We do not expect that any other items of business will be considered because the deadlines for stockholder proposals and nominations have already passed. Nonetheless, in case there is an unforeseen need, the accompanying proxy gives discretionary authority to the persons named on the proxy with respect to any other matters that might be brought before the meeting. Those persons intend to vote that proxy in accordance with their best judgment.

Who is entitled to vote?

Stockholders as of the close of business on June 9, 2009 (the “Record Date”) may vote at the Annual Meeting. You have one vote for each share of common stock you held on the Record Date. As of the Record Date we had 29,341,691 shares of common stock outstanding.

How many votes are required for the approval of each item?

The nominees for director receiving a plurality of the votes cast will be elected. Abstentions and instructions to withhold authority to vote for one or more of the nominees and broker nonvotes (as defined below) will result in those nominees receiving fewer votes but will not count as votes “against” a nominee.

The approval of KPMG LLP (“KPMG”) as the Company’s independent auditors for the fiscal year ending March 31, 2010 will be ratified if the votes cast for the proposal exceed the votes cast against the proposal. Abstentions and broker nonvotes will not count either for or against the proposal.

What are “Broker Nonvotes”?

If your shares are held by a broker, the broker will ask you how you want your shares to be voted. If you give the broker instructions, your shares must be voted as you direct. If you do not give instructions, one of two things can happen depending on the type of proposal. For some proposals, such as election of directors and the approval and ratification of the Company’s independent auditors, the broker may vote your shares at its discretion. But for other proposals, the broker may not vote your shares at all. When that happens, it is called a “broker nonvote.” Broker nonvotes are counted in determining the presence of a quorum at the Annual Meeting, but they are not counted for purposes of calculating the votes on particular matters considered at the Annual Meeting. However, because broker discretionary voting is permitted on both of the proposals to be considered at the Annual Meeting, broker nonvotes are not anticipated.

How do I vote by proxy?

If you are a stockholder of record, you may vote your proxy by marking your enclosed proxy card to reflect your vote, signing and dating each proxy card you receive and returning each proxy card in the enclosed self-addressed envelope. The shares represented by your proxy will be voted according to the instructions you give on your proxy card. In addition, you may vote your shares by telephone or via the Internet by following the instructions provided on the enclosed proxy card.

How do I revoke my proxy?

You have the right to revoke your proxy at any time before the meeting by notifying our Secretary in writing or by delivering a later-dated proxy. If you are a stockholder of record, you may also revoke your proxy by voting in person at the meeting.

How do I vote in person?

If you are a stockholder of record, you may vote your shares in person at the meeting. However, we encourage you to vote by proxy card, even if you plan to attend the meeting.

How do I submit a stockholder proposal or nominate a director for the 2010 Annual Meeting?

Rule 14a-8(e) under the Securities Exchange Act of 1934 provides that, if a stockholder wishes to have a proposal considered for inclusion in next year's proxy statement, he or she must submit the proposal in writing so that we receive it by February 19, 2010, which is the 120th calendar day before the anniversary of the date of this proxy statement. However, if the date of next year's Annual Meeting is more than 30 days from the first anniversary of this year's Annual Meeting, notice is required a reasonable period of time before we print and mail our proxy materials. We will notify you of this deadline in a Quarterly Report on Form 10-Q or in another communication to you. Proposals should be addressed to our Secretary, 2000 W. Sam Houston Pkwy. S., Suite 1700, Houston, Texas 77042. In addition, our bylaws provide that any stockholder wishing to nominate a candidate for director or to propose any other business at next year's Annual Meeting must give us written notice not earlier than the close of business on May 7, 2010, and not later than the close of business on June 6, 2010, which are the 90th day prior to and the 60th day prior to the first anniversary of this year's Annual Meeting. However, if the date of the Annual Meeting is more than 30 days before or more than 60 days after such anniversary date, notice is required not earlier than 90 days prior to the Annual Meeting and not later than the later of 60 days prior to the Annual Meeting or the 10th day after publicly disclosing the meeting date. That notice must provide certain other information as described in the bylaws. Copies of the bylaws are available to stockholders free of charge upon request to our Secretary.

II. CORPORATE GOVERNANCE

Corporate Governance Guidelines

Our Board of Directors (or, our “Board”) has adopted Corporate Governance Guidelines that govern the structure and functioning of our Board and set out our Board’s policies on a number of governance issues. A copy of our Corporate Governance Guidelines is posted on our website, www.bristowgroup.com, under the “Governance” caption and is available free of charge on request to the Company’s Secretary at 2000 W. Sam Houston Pkwy. S., Suite 1700, Houston, Texas 77042.

Director Independence

Our Corporate Governance Guidelines require that a substantial majority of our Board consist of independent directors. In general, the Corporate Governance Guidelines require that an independent director must have no material relationship with the Company, directly or indirectly, except as a director. Our Board determines independence on the basis of the standards specified by the New York Stock Exchange (the “NYSE”) and other facts and circumstances our Board considers relevant.

To assist it in determining the independence of our directors, our Board has adopted certain categorical standards. A copy of the standards is posted on our website, www.bristowgroup.com, under the “Governance” caption and is available free of charge on request to the Company’s Secretary at 2000 W. Sam Houston Pkwy. S., Suite 1700, Houston, Texas 77042. Our categorical standards are consistent with the standards set forth in the NYSE listing standards.

Our Board has reviewed any business transactions and charitable relationships between the Company and each director standing for election to determine compliance with the categorical standards described above and to evaluate whether there are any other facts or circumstances that might impair the independence of a director. In making this determination, our Board considered that directors Jonathan H. Cartwright and William P. Wyatt are directors and executive officers of Caledonia Investments plc (“Caledonia”) and were designated by Caledonia to our Board pursuant to a Master Agreement dated December 12, 1996 among the Company, a predecessor in interest to Caledonia and certain other persons in connection with our acquisition of 49% and other substantial interests in Bristow Aviation Holdings Limited. According to a Form 13D/A filed on June 26, 2008 with the Securities and Exchange Commission, Caledonia is the direct beneficial owner of 2,256,880 shares of our common stock. Our Board determined that Messrs. Cartwright and Wyatt do not have a material relationship with the Company due to their affiliation with Caledonia because, consistent with principles in NYSE listing standards, our Board does not view ownership of even a significant amount of stock, by itself, as a bar to an independence finding. Further, Messrs. Cartwright and Wyatt disclaim beneficial ownership of the common stock owned by Caledonia. Based on its review, our Board has determined that Messrs. Amonett, Bolden, Cannon, Cartwright, Flick, Knudson, Tamblin and Wyatt are independent.

Term of Office; Mandatory Retirement

All of our directors stand for election at each Annual Meeting.

Under our Corporate Governance Guidelines:

- directors will resign from our Board effective at the Annual Meeting of Stockholders following their seventy-second birthday, unless two-thirds of the members of our Board (with no independent director dissenting) determine otherwise;
- employee directors will resign from our Board when they retire, resign or otherwise cease to be employed by the Company; and
- a non-employee director who retires or changes his or her principal job responsibilities will offer to resign from our Board and the Governance and Nominating Committee of our Board will assess the situation and recommend to the full Board whether to accept the resignation.

Executive Sessions

The Company’s Corporate Governance Guidelines provide that, at least twice a year, at regularly scheduled meetings, the Company’s non-management directors shall meet in executive session without any management participation. In addition, if any of the non-management directors are not independent under the applicable rules of the NYSE, then independent directors will meet separately at least once a year. Normally, the Chairman of the Board will preside at executive sessions, but, if the roles of Chairman and Chief Executive Officer are combined, the non-management directors will select another director to serve as Lead Director to preside at such sessions. If an additional meeting of independent non-management directors is necessary, and the Chairman of the Board is not independent, then one of the independent non-management directors will be selected as Lead Director to preside at that meeting. In either case, the Lead Director of any such meeting will be, in rotation, the then-Chairman of one of the committees of our Board required to be composed solely of independent directors, in the following order: Audit, Compensation, and Governance and Nominating Committees.

Code of Ethics and Business Conduct

Our Board has adopted a Code of Business Integrity for directors and employees (our “Code”). Our Code applies to all directors and employees, including the chief executive officer, the chief financial officer, and all senior financial officers. Our Code covers topics including, but not limited to, conflicts of interest, insider trading, competition and fair dealing, discrimination and harassment, confidentiality, compliance procedures and employee complaint procedures. Our Code is posted on our website, www.bristowgroup.com, under the “Code of Integrity” caption and is available free of charge on request to our Secretary at 2000 W. Sam Houston Pkwy. S., Suite 1700, Houston, Texas 77042.

The Governance and Nominating Committee will review any issues under our Code involving an executive officer or director and will report its findings to the full Board. Our Board does not envision that any waivers of our Code will be granted, but, should a waiver be granted for an executive officer or director, it will also be promptly disclosed.

Director Selection

Our Board has adopted criteria for the selection of directors that describe the qualifications the Governance and Nominating Committee must evaluate and consider with respect to director candidates. Such criteria include (i) experience serving as chief executive officer or other senior corporate executive, (ii) international business experience, (iii) energy, oil service or aviation company experience and (iv) finance, accounting or banking experience. These criteria are included in the Corporate Governance Guidelines which are posted on our website.

The Governance and Nominating Committee proposes nominees for director and acts pursuant to its charter, which is posted on our website, www.bristowgroup.com, under the “Governance” caption and is available free of charge on request to our Secretary at 2000 W. Sam Houston Pkwy. S., Suite 1700, Houston, Texas 77042. It is the policy of the Governance and Nominating Committee to consider director candidates recommended by our employees, directors, stockholders, and others, including search firms.

The Governance and Nominating Committee has sole authority to retain and terminate any search firm used to identify candidates for director and has sole authority to approve the search firm’s fees and other retention terms.

If a stockholder wishes to recommend a director for nomination, he or she should follow the procedures set forth below for nominations to be made directly by a stockholder. In addition, the stockholder should provide such other information as such stockholder may deem relevant to the Governance and Nominating Committee’s evaluation. All recommendations, regardless of the source of identification, are evaluated on the same basis as candidates recommended by our directors, chief executive officer, other executive officers, third-party search firms or other sources.

Our bylaws permit stockholders to nominate directors for election at an annual stockholders meeting regardless of whether such nominee is submitted to and evaluated by the Governance and Nominating Committee. To nominate a director using this process, the stockholder must follow procedures set forth in our bylaws. Those procedures require a stockholder wishing to nominate a candidate for director at next year’s Annual Meeting to give us written notice not earlier than the close of business on the 90th day prior to the anniversary date of the immediately preceding Annual Meeting and not later than the close of business on the 60th day prior to the anniversary date of the immediately preceding Annual Meeting. However, if the date of the Annual Meeting is more than 30 days before or more than 60 days after such anniversary date, notice is required not earlier than 90 days prior to the Annual Meeting and not later than the later of 60 days prior to the Annual Meeting or the 10th day after we publicly disclose the meeting date. The notice to the Secretary must include the following:

- The nominee’s name, age and business and residence addresses;
- The nominee’s principal occupation or employment;

- The class and number of our shares, if any, owned by the nominee;
- The name and address of the stockholder as they appear on our books;
- The class and number of our shares owned by the stockholder as of the record date for the Annual Meeting (if this date has been announced) and as of the date of the notice;
- A representation that the stockholder intends to appear in person or by proxy at the meeting to nominate the candidate specified in the notice;
- A description of all arrangements or understandings between the stockholder and the nominee; and
- Any other information regarding the nominee or stockholder that would be required to be included in a proxy statement relating to the election of directors.

Director Attendance

Our Board held 9 meetings during the past fiscal year. During this period, no incumbent director attended fewer than 75% of the aggregate of (i) the total number of meetings of our Board during the period in which he was a director and (ii) the total number of meetings held by all committees on which he served during the period in which he was a director.

It is our policy that each director of the Company is expected to be present at each Annual Meeting of Stockholders, absent circumstances that prevent attendance. We facilitate director attendance at the Annual Meetings of Stockholders by scheduling such meetings in conjunction with regular meetings of directors. Only two of our directors were able to attend last year's Annual Meeting due to the approach of Hurricane Edouard.

Communication with Directors

Our Board maintains a process for stockholders and interested parties to communicate directly with our Board.

All communications should be delivered in writing addressed to the Secretary at 2000 West Sam Houston Pkwy. S., Suite 1700, Houston, Texas 77042. The correspondence should be addressed to the appropriate party, namely: Bristow Group Inc. Board, Bristow Group Inc. Governance and Nominating Committee, Bristow Group Inc. Audit Committee, Bristow Group Inc. Compensation Committee or the individual director designated by full name or position as it appears in the Company's most recent proxy statement. We also maintain policies for stockholders and other interested parties to communicate with the Lead Director of executive sessions or with the non-management directors as a group. Such communications should be delivered in writing to: Lead Director or Non-Management Directors of Bristow Group Inc., as the case may be, c/o Secretary, 2000 W. Sam Houston Pkwy. S., Suite 1700, Houston, Texas 77042. Communications so addressed and clearly marked as "Stockholder Communications" will be forwarded by our Secretary unopened to, as the case may be, the Chairman of our Board or the then-serving Lead Director (being the independent director scheduled to preside at the next meeting of the non-management or independent directors).

All communications must be accompanied by the following information:

- If the person submitting the communication is a security holder, a statement of the type and amount of the securities of the Company that the person holds; or, if the person is not a shareholder, a statement regarding the nature of the person's interest in the Company; and
- The address, telephone number and e-mail address, if any, of the person submitting the communication.

For more detail, refer to our Company Policy for Communications with our Board posted on our website, www.bristowgroup.com, under the caption "Governance".

III. COMMITTEES OF THE BOARD OF DIRECTORS

- (1) As of May 20, 2009, all members of the Audit, Compensation and Governance and Nominating Committees were independent as defined by the applicable NYSE rules.

Audit Committee

The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the Company’s independent auditors. The Audit Committee also monitors the integrity of the Company’s financial statements and the independence and performance of the Company’s auditors and reviews the Company’s financial reporting processes. The Audit Committee reviews and reports to our Board the scope and results of audits by the Company’s independent auditors and the Company’s internal auditing staff and reviews the audit and other professional services rendered by the independent auditors. It also reviews with the independent auditors the adequacy of the Company’s system of internal controls. It reviews transactions between the Company and the Company’s directors and officers, the Company’s policies regarding those transactions and compliance with the Company’s business ethics and conflict of interest policies.

Our Board requires that all members of the Audit Committee meet the financial literacy standard required under the NYSE rules and that at least one member qualifies as having accounting or related financial management expertise under the NYSE rules. In addition, the Securities and Exchange Commission (“SEC”) has adopted rules requiring that the Company disclose whether or not the Company’s Audit Committee has an “audit committee financial expert” as a member. An “audit committee financial expert” is defined as a person who, based on his or her experience, has all of the following attributes:

- an understanding of generally accepted accounting principles and financial statements;
- an ability to assess the general application of such principles in connection with accounting for estimates, accruals and reserves;
- experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and level of complexity of issues that can reasonably be expected to be raised by the Company’s financial statements, or experience actively supervising one or more persons engaged in such activities;
- an understanding of internal controls and procedures for financial reporting; and

- an understanding of audit committee functions.

The person is to further have acquired such attributes through one or more of the following:

- education and experience as a principal financial officer, principal accounting officer, controller, public accountant or auditor or experience in one or more positions that involve the performance of similar functions;
- experience actively supervising a principal financial officer, principal accounting officer, controller, public accountant, auditor or person performing similar functions;
- experience overseeing or assessing the performance of companies or public accountants with respect to the preparation, auditing or evaluation of financial statements or other relevant experience.

Our Board has reviewed the criteria set by the SEC and determined that all five members meet the financial literacy standards required by NYSE rules and that all five members qualify under NYSE rules as having accounting or related financial management expertise. Our Board has also determined that all Mr. Tamblyn qualifies as an audit committee financial expert.

Compensation Committee

The Compensation Committee, among other matters:

- approves the compensation of the Chief Executive Officer and all other executive officers;
- evaluates the performance of the Chief Executive Officer against approved performance goals and other objectives and reports its findings to our Board;
- reviews and approves changes in certain employee benefits and incentive compensation plans which affect executive officer compensation;
- reviews and makes recommendations with respect to changes in equity-based plans and director compensation; and
- prepares a report to be included in the Company's annual proxy statement.

Awards under equity based plans are considered and approved by a subcommittee of the Compensation Committee which consists entirely of "non-employee directors," as defined by Rule 16b-3 under the Securities and Exchange Act of 1934, as amended, all of whom satisfy the requirements of an "outside director" for purposes of Section 162(m) of the Internal Revenue Code.

Governance and Nominating Committee

The Governance and Nominating Committee assists our Board in:

- identifying individuals qualified to become members of our Board consistent with criteria approved by our Board;
- recommending to our Board the director nominees to fill vacancies and to stand for election at the next annual meeting of stockholders;
- developing and recommending to our Board the corporate governance principles to be applicable to the Company;
- recommending committee assignments for directors to our Board; and
- overseeing an annual review of our Board's performance.

IV. ELECTION OF THE NOMINEES AS DIRECTORS

Our Board has fixed the number of directors at nine. The term of office of all of our present directors will expire no later than the day of the Annual Meeting upon the election of their successors. The directors elected at the Annual Meeting will serve until their respective successors are elected and qualified or until their earlier death, resignation or removal.

Unless authority to do so is withheld by the stockholder, each proxy executed and returned by a stockholder will be voted for the election of the nominees hereinafter named. Directors having beneficial ownership derived from presently existing voting power of approximately 7.7% of our common stock as of the Record Date have indicated that they intend to vote for the election of all nominees hereinafter named. If any nominee withdraws or for any reason is unable to serve as a director, the persons named in the accompanying proxy either will vote for such other person as our Board may nominate or, if our Board does not so nominate such other person, will not vote for anyone to replace the nominee. Except as described below, our management knows of no reason that would cause any nominee hereinafter named to be unable to serve as a director or to refuse to accept nomination or election.

On May 23, 2009, the White House announced that United States President Barack Obama intends to nominate Gen. Charles Bolden, Jr. to serve as National Aeronautics and Space Administration (“NASA”) Administrator. Gen. Bolden has notified us that, if his nomination to serve as NASA Administrator is confirmed by the United States Senate, he would accept the position and would resign his directorship and all committee appointments with the Company. The schedule for the confirmation process with respect to his nomination is not yet known. The Governance and Nominating Committee and our Board plan to consider additional director candidates but have made no decision with respect to the board seat being vacated by Gen. Bolden. Consequently, our Board currently intends to reduce the size of the board to eight directors in the event of Gen. Bolden’s departure.

The nominees for director receiving a plurality of the votes cast will be elected. The proxyholder named in the accompanying proxy card will vote FOR each of the nominees named herein unless otherwise directed therein. Abstentions, instructions to withhold authority to vote for one or more of the nominees and broker nonvotes will result in those nominees receiving fewer votes, but will not be counted as a vote AGAINST the nominee.

Our Board recommends that stockholders vote FOR the election to our Board of each of the nominees named below.

He has served as a member of our Audit and Governance and Nominating Committees since August 2008.

William E. Chiles, age 60, is a resident of Houston, Texas and became the President and Chief Executive Officer of our Company effective July 15, 2004. Mr. Chiles was also elected Chief Financial Officer in December 2005, following the resignation of a prior chief financial officer, and served in that capacity until February 2006. VII. COMPENSATION DISCUSSION AND ANALYSIS

Compensation Philosophy

The mission of Bristow Group Inc. is to provide the safest and most efficient helicopter support and aviation services worldwide. The compensation program for executives is designed to support and reinforce the mission of the Company and lead to the consistent enhancement of stockholder value.

The program targets total compensation that is generally consistent with the market median when individual and organizational performance objectives are achieved and provides the opportunity to earn above average compensation when performance exceeds measurable financial, safety, operational and individual goals. To achieve this objective, the program has a significant “at-risk” component in the form of variable annual and long-term incentives. The program focuses on total compensation with a portion allocated to fixed compensation (salary and benefits) and emphasis on variable annual and long-term incentive compensation. Variable incentives, both annual and longer-term, are important components of the program and are used to align actual pay levels with performance results. Long-term incentives are designed to create a strong emphasis on enhancing total stockholder value over a longer term and align the interests of management with those of stockholders through share ownership. Annual incentives are granted to reward participants based on corporate, business unit and individual results. When annual and long-term results are above average, total compensation will be above average.

The Compensation Committee generally attempts to provide the Company’s executives, including Mr. Chiles, with a total compensation package that is competitive and reflective of the performance achieved by the Company compared to other companies, and is typically weighted toward long-term incentives.

Administration of Executive Compensation Program

Our executive compensation program is administered by the Compensation Committee of our Board. The Committee has established an annual process for reviewing and establishing executive compensation levels. Previously, annual base salaries were reviewed and adjusted effective April 1 of each year. In 2009, the review took place in June. The annual incentive plan performance goals are approved in May or June of each year. Determination of achievement of these goals, approval of bonuses under the annual incentive compensation for the prior year and granting of long-term incentive awards takes place immediately after the Company files its fiscal year end financial statements, with the effective date of such awards being no sooner than two days after such results are filed.

Compensation consultants are engaged from time to time to provide recommendations on all aspects of executive compensation as directed by the Compensation Committee. The Committee may not adopt any of the recommendations of compensation consultants, but utilizes their work as a check in arriving at its own judgment with respect to what it deems to be appropriate. Compensation consultants have direct access to Committee members and participate in Committee meetings, as requested by the Committee Chairman. They may also provide compensation advice to management with the knowledge and consent of the Committee.

William E. Chiles, our President and Chief Executive Officer, Elizabeth D. Brumley, our Vice President, Finance and Acting Chief Financial Officer, Randall A. Stafford, our Vice President and General Counsel, and Hilary S. Ware, our Global Vice President — Human Resources, support the Compensation Committee in performing its role with respect to administering our compensation program. The Compensation Committee conducts performance evaluations of Mr. Chiles, and Mr. Chiles conducts performance evaluations of our other executive officers and makes recommendations to the Compensation Committee regarding all aspects of their compensation. Mr. Chiles, with input from the entire senior management team and the Committee’s compensation consultants makes recommendations to the Committee as to performance measures and levels to be used for annual incentive compensation. Ms. Brumley, Mr. Stafford and Ms. Ware act pursuant to delegated authority to fulfill various administrative functions of the Compensation Committee, such as coordinating the hiring process with respect to executives, providing legal and market updates to the Compensation Committee, and overseeing the documentation of equity plans and awards as approved by the Compensation Committee. No executive has the authority to establish or modify executive officer compensation.

In mid-2007, the Compensation Committee commenced an overall review of its compensation program, including selection of a compensation consultant. After an evaluation process involving both management and Committee members, the Committee selected Towers Perrin as its compensation consultant for the ensuing year. In that regard, Mr. Perry L. Elders, our former Executive Vice President and Chief Financial Officer, Mr. Stafford and Ms. Ware, together with Mr. Flick, the chairman of the Compensation Committee, evaluated seven different compensation consulting firms, narrowing the selection process down to three firms. The Compensation Committee members then selected Towers Perrin from the group of three firms. Management was not present during the final selection. In addition, the Committee established a new peer group of selected companies to review in connection with executive compensation. The peer group currently consists of seventeen companies that either compete with the Company or compete with the Company for executive talent. The companies included in the peer group are Air Methods Corporation, Complete Production Services, Core Laboratories NV, Dril-Quip, Inc., GulfMark Offshore, Inc., Helix Energy Solutions Group Inc., Hercules Offshore Inc., Hornbeck Offshore Services, Inc., NATCO Group Inc., Oceaneering International, Inc., Oil States International, Inc., PHI, Inc., Pride International, Inc., Rowan Companies, Inc., SEACOR Holdings Inc., Superior Energy Services, Inc. and Tidewater Inc. Towers Perrin also provided the Committee with executive compensation comparisons using the Towers Perrin Executive Compensation database and Oilfield Services Compensation Survey. This information was updated for the Committee in mid-2009 and used by the Committee in connection with its 2009 Executive Compensation reviews.

Changes in Executive Officer Team

On April 30, 2009, Mr. Perry L. Elders, Executive Vice President and Chief Financial Officer, departed the employ of the Company. He will receive severance payments in accordance with the termination without cause provisions of his employment agreement and certain other benefits, including vesting and extending the exercise date of outstanding long term incentive awards. Elizabeth D. Brumley was appointed to serve as Acting Chief Financial Officer following Mr. Elders' departure. Mr. Suldo, formerly Senior Vice President, Western Hemisphere retired from the Company effective September 30, 2008. Accordingly, Mr. Elders and Mr. Suldo are omitted from the discussions regarding Fiscal Year 2010 Awards.

Compensation Components

The compensation of our executives is separated into four basic components: base salary, annual incentive compensation, long-term incentives and deferred compensation. The base salary for our Named Executive Officers can represent up to 100% of compensation in any given year when incentives do not pay out or long-term awards do not vest. However, the general mix of compensation for target-level performances in the annual incentive plans, plus the net annualized present value of long-term compensation grants in fiscal year 2009, was as follows for our CEO, CFO and each of our other three most highly compensated executive officers and one former executive officer for whom disclosure would have been required but for the fact that he was not serving at March 31, 2009 (the "Named Executive Officers") with a degree of variation by individual incumbent. The Compensation Committee considered the following general percentage mix in establishing the total compensation for the Company's executives at fiscal year 2009 target performance. It is important to note that the influences of the timing of awards, availability of stock, company financial performance and stock price performance could significantly change the basic mix of compensation components as a percentage of total compensation.

| | |
|---|--|
| For the CEO: | Base pay = 25% |
| | Annual cash incentive compensation at target = 25% |
| | Long-term compensation annualized = 45% |
| | Deferred compensation = 5% |
| For the other Named Executive Officers: | Base pay = 35% |
| | Annual cash incentive compensation at target = 15% |
| | Long-term compensation annualized = 45% |
| | Deferred compensation = 5% |

For the purpose of measuring total compensation, the Compensation Committee values stock options using the Black-Scholes method. Performance restricted stock units and time vested restricted stock are valued at a discount of from 80% to 85% of the full value of an equivalent amount of the Company's common stock on the date of grant.

Base Salary

The base salary program generally targets the median range of the marketplace for executives with similar responsibilities. The Compensation Committee considers published survey data and data for our compensation peer group when setting executive compensation of our compensation peer group. The performance of each executive and most employees is reviewed annually. Salary adjustments have been typically effective at the beginning of the fiscal year and are based on the individual's experience and background, the general movement of salaries in the marketplace, the Company's financial performance and a qualitative assessment of the individual's performance by his or her immediate supervisor, or in the case of Mr. Chiles, by the Compensation Committee. In addition to its assessment of Mr. Chiles' performance, the Compensation Committee reviews the evaluations for each of the Company's other executive officers. Due to these factors, an executive's base salary may be above or below the market median at any point in time. The Compensation Committee has approved internal pay ranges which establish pay relationships between positions. Base salaries for fiscal year 2009 were set in June 2008 and are reflected in the compensation tables in this proxy statement. The adjusted base salaries were in each case slightly over the median for the position but no more than 25% over in any case. While the Committee considered that the Company's executives performed well during the year, the Committee elected not to make any adjustments to their base salaries due to the downturn in financial markets.

In June 2009 the Committee reviewed the performance of the Chief Executive Officer and reviewed the Chief Executive Officer's evaluations of the other executive officers. Again, while the Committee considered that the Company's executives performed well during the year, no changes in base salary of the Chief Executive Officer or any of the Named Executive Officers were made due to the continuing worldwide economic difficulties. Mr. Chiles had previously elected to reduce his base salary by 10% effective April 1, 2009.

Annual Incentive Compensation

The Company maintains an annual incentive compensation plan to provide selected executive officers and employees the opportunity to share in the improved performance of the Company by achieving specific corporate and business unit financial and safety goals and key individual objectives. Awards under the plan are determined based on specified performance standards, which we refer to as Key Performance Indicators ("KPIs"). However, excessive risk-taking to achieve financial goals is discouraged by requirements that participants must also uphold and certify their compliance with the Company's legal and ethical standards as described in the Company's Code of Business Integrity and the policies that support the Code. The Compensation Committee periodically monitors the award target levels and variances to assure their competitiveness and that they are consistent with compensation strategy for incentives and for total compensation without encouraging excessive risk-taking. Our KPIs typically incorporate certain metrics that are based on our publicly reported financial results. There is no provision in our annual incentive plan for retroactively adjusting past performance compensation in the event of a restatement of these results leads to a different outcome, although such a restatement would be taken into consideration by the Compensation Committee in making future compensation decisions.

Fiscal Year 2009 Awards

For fiscal year 2009, the KPIs used were the following:

- Consolidated "EPS" - Fully diluted earnings per share, determined in accordance with generally accepted accounting principles in the United States of America.
- Consolidated Return on Capital Employed ("ROCE").
- Safety, including the Company's consolidated, or a division's, Total Recordable Incident Rate ("TRIR") - the number of incidents per 200,000 labor hours, for the fiscal year compared to a preset target and Air Accident Rate ("AAR") - the number of Flight Accidents per 100,000 flight hours by the Company or a division compared to a preset target.
- Individual Performance - Individual performance relates specifically to the individual and is based on an overall performance evaluation of the individual's contributions during the year based on a subjective determination by the individual's immediate supervisor, or in the case of Mr. Chiles, the Compensation Committee, compared to individualized goals set by the supervisor, or in the case of Mr. Chiles, the Compensation Committee, at the beginning of the fiscal year. The practice of considering individual performance on a case-by-case basis permits consideration of flexible criteria, including current overall market conditions.

EBITDA is earnings before interest expense, taxes, depreciation and amortization and is computed by adding interest, income tax, depreciation and amortization expenses to net income. ROCE is return on capital employed and is computed by dividing EBITDA by the fair value of the related operating assets, including working capital.

The KPIs are designed to coincide with the goals and objectives established by the Company in its long-term strategy. KPI weightings are varied by individual position to give emphasis to performance for which participants have the most direct control. The KPI weightings for the CEO and other Named Executive Officers for fiscal year 2009 were: EPS – 25%; ROCE – 25%; Safety – 25% and Individual Performance – 25%:

The bonus targets and results for fiscal year 2009 were as follows:

| | <u>EPS</u> | <u>ROCE</u> | <u>Safety</u> | |
|-----------------------|------------|-------------|---------------|------------|
| | | | <u>TRIR</u> | <u>AAR</u> |
| KPI at Expected Level | \$3.49 | 13.9% | 0.60 | 0.33 |
| Result | \$3.60 | 15.0% | 0.45 | 0.66 |

The annual incentive targets and maximums are stated as a percentage of annual base salary and are set based on position grade levels. The annual incentive target and maximum levels for fiscal year 2009 for our CEO and the other Named Executive Officers are outlined below:

| <u>Named Executive Officer</u> | <u>Percentage of Base Salary</u> | |
|--------------------------------|----------------------------------|----------------|
| | <u>Target</u> | <u>Maximum</u> |
| William E. Chiles | 100% | 200% |
| Perry L. Elders | 75% | 150% |
| Richard D. Burman | 50% | 100% |
| Mark B. Duncan | 50% | 100% |
| Randall A. Stafford | 50% | 100% |
| Michael R. Suldo | N/A | N/A |

Minimum KPI levels must be achieved in order to receive any payout under the annual incentive compensation plan. If an individual is determined by the Committee to have violated the Company's Code of Business Integrity, that individual may lose a portion or all of their annual incentive compensation as determined by the Committee on a case by case basis. In the event of a flight accident that results in a fatality, the safety portion of the award payout is forfeited for the related business unit and division employees as well as all corporate plan members. Participants may earn up to as much as double their annual incentive targets in the event of performance substantially exceeding the preset goals. Annual incentive compensation awards are paid in cash. In fiscal year 2009, the Compensation Committee set KPI levels for the performance incentive awards shortly after the end of the prior fiscal year and the budget for the next fiscal year was approved by our Board.

Fiscal Year 2010 Awards

In June 2009, the Compensation Committee of the Company approved and adopted an annual incentive compensation plan for fiscal year 2010 (year ending March 31, 2010) for our senior employees, including each of our executive officers. The KPI's selected for fiscal year 2010 are:

- Consolidated EPS, ROCE, Safety, including TRIR and AAR, and Individual Performance.

The KPI weightings for the CEO and our other Named Executive Officers (with the exception of Mr. Elders and the addition of Ms. Brumley) for the fiscal year 2009 plan are outlined below:

| <u>Named Executive Officer</u> | <u>Weighting</u> | | | |
|--------------------------------|------------------|-------------|---------------|-------------------------------|
| | <u>EPS</u> | <u>ROCE</u> | <u>Safety</u> | <u>Individual Performance</u> |
| William E. Chiles | 25% | 25% | 25% | 25% |
| Elizabeth D. Brumley(1) | 25% | 25% | 25% | 25% |
| Richard D. Burman | 25% | 25% | 25% | 25% |
| Mark B. Duncan | 25% | 25% | 25% | 25% |
| Randall A. Stafford | 25% | 25% | 25% | 25% |

(1) Ms. Brumley was named Acting Chief Financial Officer on April 30, 2009.

The annual incentive target and maximum levels expressed as a percentage of base salary for fiscal year 2010 for our CEO and the other Named Executive Officers remained unchanged from the prior year and are outlined below:

| Named Executive Officer | Percentage of Base Salary | |
|--------------------------------|----------------------------------|----------------|
| | Target | Maximum |
| William E. Chiles | 100% | 200% |
| Elizabeth D. Brumley(1) | 40% | 80% |
| Richard D. Burman | 50% | 100% |
| Mark B. Duncan | 50% | 100% |
| Randall A. Stafford | 50% | 100% |

Fiscal year 2010 target bonus award levels for the Company’s executive officers were approved by the Compensation Committee in June 2009. The KPI’s for the target level were set at levels which would require continued growth and improved financial performance and improvement in safety when compared to actual results for the prior year.

(1) Ms. Brumley was named Acting Chief Financial Officer on April 30, 2009.

Long-Term Incentives

Long-term incentive awards are used to focus management attention on Company performance over a period of time longer than one year in recognition of the long-term horizons for return on investments and strategic decisions in our business. The awards are designed to motivate management to assist the Company in achieving a high level of long-term performance while discouraging excessive short-term risk taking and serves to link this portion of executive compensation to long-term stockholder value. They are also designed to assist in executive retention through extended vesting periods. Aggregate stock or option holdings of the executive have no bearing on the size of a long-term incentive award.

The Company’s 2007 Long-Term Incentive Plan (the “Incentive Plan”), which was approved by the Company’s stockholders in 2007, permits the granting of any or all of the following types of awards: stock options; restricted stock; performance awards; phantom shares; other stock based awards; bonus shares; and cash awards. All non-employee directors and employees of, or consultants to, the Company or any of its affiliates are eligible for participation under the Incentive Plan. The Incentive Plan is administered by the Compensation Committee. The Compensation Committee directly oversees the Incentive Plan as it relates to officers of the Company and oversees the Incentive Plan in general, its funding and award components, the type and terms of the awards to be granted and interprets and administers the Incentive Plan for all participants.

Generally, awards under the Incentive Plan are granted a short time after the Company’s financial results for the prior fiscal year have been made public by the filing of the Company’s Annual Report on Form 10-K. Occasionally, long-term incentive awards are granted at other times when appropriate for new employees or special recognition of performance.

Fiscal Year 2009 Awards

In fiscal year 2009, the Compensation Committee made grants of stock options, performance cash and restricted stock (as set forth under “Executive Compensation — Grants of Plan-Based Awards”). The options vest ratably over a three-year period beginning on the date of grant. The restricted stock vests at the end of three years from the date of grant. Performance cash awards only vest at the end of three years if certain performance goals have been met.

Fiscal Year 2010 Awards

In June 2009, the Committee authorized the annual grant of stock options, time vested restricted stock and long-term performance cash awards to participating employees, including the following grants to the Named Executive Officers (with the exception of Mr. Elders and with the addition of Ms. Brumley):

| Officer | Performance Cash Target | Stock Options | Restricted Stock |
|----------------------|------------------------------------|--------------------------|-----------------------------|
| William E. Chiles | \$ 1,000,000 | 74,089 | 30,377 |
| Elizabeth D. Brumley | \$ 112,933 | 8,367 | 3,431 |
| Richard D. Burman | \$ 241,385 | 17,884 | 7,332 |
| Mark B. Duncan | \$ 242,373 | 17,957 | 7,362 |
| Randall A. Stafford | \$ 201,333 | 14,917 | 6,116 |

Restricted stock grants vest at the end of three years. Performance cash awards allow the recipient to receive from -0- to 200% of the target amount shown depending on how the Company's total shareholder return ("TSR") ranks among the Company's compensation peer group over the performance period. If the Company's TSR for the performance period is below the 25th percentile, no performance cash is earned by the recipient under the award. The cash payout then ranges from 40% to a maximum of 200% for TSR ranging from the 25th percentile to the 75th percentile. The Compensation Committee introduced this revised mix of long-term incentives to achieve three goals: emphasize performance through the use of options and performance cash awards; add retention value with time restricted stock awards; and reduce the overall number of shares used under the Incentive Plan through the introduction of a longer term performance cash award. It was also perceived by the Committee that the addition of the long-term cash award which vests simultaneously with restricted stock awards would encourage executives to retain stock received rather than needing to sell or have shares withheld to pay taxes.

The Compensation Committee believes the dollar value of equity awards granted by the Company during fiscal year 2010 are consistent with award levels granted by other companies based on their experience and the analysis conducted by Towers Perrin.

Deferred Compensation

Under the terms of the Company's non-qualified deferred compensation plan for senior executives (the "Deferred Compensation Plan") participants including our Named Executive Officers can elect to defer a portion of their compensation for distribution at a later date. Additionally, the Company contributes to the Deferred Compensation Plan an amount equal to the difference between the percentage matching contribution made by the Company to the applicable employee's 401(k) Plan Account and, in the case of Mr. Chiles, up to 20% of salary and bonus and in the case of each of our other Named Executive Officers, up to 15% of salary and bonus.

Perquisites

Certain employees, including executive officers, are provided with certain perquisites as part of their compensation. These may include Company-paid life or private health insurance policies. Perquisites such as these are a relatively low cost part of compensation to be used in attracting and retaining qualified employees and executives. Other perquisites, such as car allowances and club dues reimbursements, were eliminated in previous years.

For additional information regarding perquisites, see "Executive Compensation — Summary Compensation Table."

Other Benefits

Executive officers are eligible to participate, with other employees, in various employee benefit plans, including paid time off, medical, dental and disability insurance plans and a 401(k) plan or, in the case of employees in the U.K. (including Mr. Burman) a defined contribution retirement plan. The Compensation Committee exercises no discretion over this participation.

Stock Ownership Guidelines

The Company does not have specific equity or other security ownership requirements or guidelines for employees. However, management is encouraged to take an ownership stake in the Company and is specifically compensated with equity compensation. Margin accounts of the Company's common stock held by executive officers and trading in derivatives of Company common stock by executive officers is discouraged but not specifically disallowed by corporate policy. Under our Insider Trading Policy, all insiders are bound by the rules of insider trading and speculation in Company common stock is discouraged. Our Board has adopted stock ownership guidelines for directors pursuant to which directors are required to hold stock with a value equal to four times the annual retainer for directors within a five year period commencing August 2008 or the date on which a director takes office, whichever is later.

Severance Benefits

We have entered into employment agreements with each of our Named Executive Officers. Pursuant to these agreements, each of the Named Executive Officers (with the exception of Mr. Elders) is entitled to severance and/or retirement payments and other benefits in certain situations. See “Potential Payments upon Termination or Change-in-Control” under “Executive Compensation” below for a detailed description of the amounts payable and method of calculation. Mr. Elders became entitled to a severance payment in connection with his departure from the Company. We believe the severance benefits are reasonable and not uncommon for persons in the offices and rendering the level of services performed by these individuals. We selected higher multiples for terminations associated with a change-in-control to provide additional reasonable protections and benefits to the officers in such event. These change-in-control termination payments are based on a “double trigger” requiring additional reasons such as “Good Reason” as defined in the agreement or the officer being terminated without cause to ensure such amounts will not be paid when employment continues or the individual elects to resign without good reason. We believe that providing these multiples for change-in-control terminations for up to a two year period after a change in control will provide for their commitment to the Company or its potential acquirer through a change-in-control event, resulting in a continuity of leadership and preserving the shareholders’ interests before and after a transaction. The employment agreement for Mr. Chiles also provides for a gross-up payment to the extent Section 280G of the Internal Revenue Code would apply to such payments as excess “parachute” payments. The employment agreements for the other executive officers contain provisions limiting compensation payable in these circumstances to the extent Section 280G would apply.

Accounting and Tax Matters

The Compensation Committee also considers the potential impact of Section 162(m) of the Internal Revenue Code of 1986, as amended (“Section 162(m”). Section 162(m) disallows a tax deduction for any publicly held corporation for individual compensation exceeding \$1 million in any taxable year for the Chief Executive Officer and the other senior executive officers, other than compensation that is performance-based under a plan that is approved by the shareholders of the corporation and that meets certain technical requirements. While the goal of the Committee is to design compensation for executives which is tax deductible, the Committee reserves the right to exercise subjective discretionary compensation decisions where appropriate and therefore has and may in the future authorize awards or payments to executives which may not meet the requirements of Section 162(m).

Employment Agreements

On June 6, 2006 the Company entered into an amended and restated employment agreement with William E. Chiles, the Company's President and Chief Executive Officer. As amended and restated, Mr. Chiles' employment agreement had an initial term of three years beginning on June 21, 2004 (the date of his original employment agreement), and, upon June 21, 2007 and each anniversary thereafter, this term is automatically extended by successive one year periods unless either party thereto gives appropriate notice of nonrenewal. Under the agreement, Mr. Chiles serves as President and Chief Executive Officer of the Company and reports to our Board. Effective April 1, 2009, Mr. Chiles' annual base salary was \$675,000 and he will be eligible for an annual cash bonus, if he and the Company meet certain performance targets, of up to 200% of his base salary. The Company will also credit an annual amount equal to the difference between the percentage matching contribution made by the Company to Mr. Chiles 401(k) Plan Account and up to 20% of Mr. Chiles' annual salary and bonus to Mr. Chiles' Deferred Compensation Plan Account. The Company provides Mr. Chiles a ten-year term life insurance policy in the amount of \$3 million payable to his designated beneficiaries. If Mr. Chiles' employment is terminated by the Company without Cause or by him for Good Reason (as those terms are defined in Mr. Chiles' employment agreement) or under certain other circumstances specified in the agreement, he will be entitled to a lump sum cash payment calculated pursuant to a formula set forth in the agreement, along with other benefits. The lump sum payment is equal to (i) if the termination occurs within two years of a Change of Control, as defined, three times the sum of Mr. Chiles' annual base salary and highest annual incentive bonus received by him for any of the last three fiscal years, as defined and (ii) if the termination occurs at any other time, two times the sum of Mr. Chiles' annual base salary and current annual incentive target bonus for the full year in which termination occurred. The agreement also contains confidentiality, non-competition, non-employee solicitation, change-of-control and other provisions.

Mr. Elders and the Company entered into an employment agreement, effective as of February 16, 2006. The agreement had an initial term of two years, and, beginning on February 16, 2008, the term was automatically extended by successive one-year periods unless either party gave appropriate notice of nonrenewal. Under the agreement, Mr. Elders served as Executive Vice President and Chief Financial Officer of the Company and reported to the President and Chief Executive Officer of the Company. Effective April 1, 2008, Mr. Elders' base salary was \$455,000 and he was eligible for a cash bonus, if he and the Company met certain performance targets, of up to 150% of his base salary. The Company also credited an annual amount equal to the difference between the percentage matching contribution made by the Company to Mr. Elders' 401(k) Plan Account and up to 15% of Mr. Elders' annual salary and bonus to Mr. Elders' Deferred Compensation Plan Account. Upon signing the agreement, Mr. Elders received options to purchase 10,000 shares of the Company's common stock and 10,000 PRSUs. The Company provided Mr. Elders with a term life insurance policy in the amount of \$500,000 payable to his designated beneficiaries. In April 2009, Mr. Elders' employment was terminated by the Company without Cause, as that term is defined in Mr. Elders' employment agreement. Pursuant to the terms of Mr. Elders' employment agreement, he received two times the sum of his annual base salary and current annual incentive target bonus for the full year of 2009 along with certain other benefits including vesting and extending the expiration date of outstanding long term incentive awards. The agreement also contains change of control, confidentiality, non-competition, employee non-solicitation and other provisions.

Mr. Burman and an affiliate of the Company entered into an employment agreement, effective as of October 15, 2004. The agreement continues until terminated by either party upon twelve months notice or until Mr. Burman attains age 60. The Company pays Mr. Burman a base salary of £176,225 and he is eligible for a cash bonus, if he and the Company meet certain performance targets, of up to 100% of his base salary. The Company will also credit an annual amount equal to 12.5% of Mr. Burman's annual salary to Mr. Burman's retirement account pursuant to the Bristow Helicopters Group Ltd. Defined Contribution Retirement Plan. On January 28, 2009, Mr. Burman's employment agreement was amended to provide for payment of certain benefits upon a Change of Control. If Mr. Burman's employment is terminated within two years of a Change of Control, as defined in the agreement, he will receive a payment equal to three times the sum of his annual base salary and highest annual incentive bonus received by him for any of the last three fiscal years. The amendment also provides for vesting of outstanding awards under the Company's long term equity incentive plans upon a Change in Control. During the two years following a Change in Control, Mr. Burman's base salary will not be reduced and his annual bonus target under the Company's incentive bonus program will be at least equal to his highest annual bonus during the Company's last three fiscal years.

On June 6, 2006 the Company entered into an amended and restated employment agreement with Mark B. Duncan. As amended and restated, Mr. Duncan's employment agreement had an initial term of two years beginning on January 24, 2005 (the date of his original employment agreement), and, beginning on January 24, 2007, this term is automatically extended by successive one-year periods unless either party gives appropriate notice of nonrenewal. The Company will also credit an annual amount equal to the difference between the percentage matching contribution made by the Company to Mr. Duncan's 401(k) Plan Account and up to 15% of Mr. Duncan's annual salary and bonus to Mr. Duncan's Deferred Compensation Plan Account. The Company provides Mr. Duncan with a term life insurance policy in the amount of \$500,000 payable to his designated beneficiaries. If Mr. Duncan's employment is terminated by the Company without Cause or by him for Good Reason (as those terms are defined in the agreement) or under certain other circumstances specified in the agreement, he will be entitled to a lump sum cash payment calculated pursuant to a formula set forth in the agreement, along with other benefits. The lump sum payment is equal to (i) if the termination occurs within two years of a Change of Control, as defined, two and one half times the sum of Mr. Duncan's Annual Base Salary, as defined, and Highest Annual Bonus, as defined, and (ii) if the termination occurs at any other time, one and one half times the sum of Mr. Duncan's Annual Base Salary and Target Annual Bonus, as defined. The agreement also contains confidentiality, non-competition, employee non-solicitation, change-of-control and other provisions.

- (1) Options become exercisable in three equal annual installments after the date of grant.
- (2) Performance Restricted Stock Units (“PRSUs”) that vest on the third, fourth or fifth anniversary of the date of grant provided total shareholder return as defined in the awards over the applicable performance period attains certain predesignated levels. The PRSUs give the holder the right to receive up to one share of common stock per unit subject to the attainment of certain performance goals. To receive one share for each unit granted on the third or, if not on the third, the fifth anniversary of the Grant Date, the Company’s Cumulative Average Total Shareholder Return must have met or exceeded 3%. If the performance measure is not achieved by the fifth anniversary date, the PRSUs expire and no stock is received by the participant. “Cumulative Average Total Shareholder Return” for any period equals (1) 100% multiplied by (2) a fraction, (i) the numerator of which is (x) the Average Market Value (as defined below) during such period of the number of shares of Stock which had a Market Value of \$100 as of the first day of such period, assuming the reinvestment of any dividends paid with respect to such shares during such period on a pre-tax basis in additional shares and taking into account any stock splits, reclassifications or any similar events minus (y) \$100, and (ii) the denominator of which is 100. For purposes of this paragraph, the Market Value of a share of Stock on the first and last day of any such period is equal to the average of the 20 closing prices of such a share for the 20 consecutive trading days concluding on such day (or, if such day is not a trading day, concluding on the final trading day immediately preceding such day).
- (3) This column represents the closing price of our common stock on March 31, 2009 of \$21.43 multiplied by the number of shares of restricted stock.

- (4) Pursuant to Mr. Elders' employment agreement, all of his outstanding incentive awards vested upon his April 30, 2009 departure from the Company. See "Employment Agreements" above.

Under the terms of the Company's Deferred Compensation Plan for senior executives, participants can elect to defer a portion of their compensation for distribution at a later date. Additionally, the Company contributes an amount to the Deferred Compensation Plan account of participants equal to the difference between the percentage matching contribution made by the Company to the applicable participant's 401(k) Plan Account and in the case of Mr. Chiles, up to 20% of salary and bonus, and in the case of each of our other Named Executive Officers, other than Mr. Burman, up to 15% of annual base salary and bonus. Deferred Compensation Plan holdings are invested in the same funds available under the Company's 401(k) Plan in accordance with the elections of the plan participant. Participants vest in Company contributions to the Deferred Compensation Plan over a five year term. Distributions upon retirement or termination of employment are made pursuant to the participant's election subject to any applicable limitations of the Internal Revenue Code. We have general contractual obligations to pay the deferred compensation upon the participant's termination of employment for any reason, including but not limited to death, disability or retirement.

Potential Payments upon Termination or Change-in-Control

Each of our Named Executive Officers is party to an employment agreement as described above. Pursuant to these agreements, Messrs. Burman, Chiles, Elders, Duncan and Stafford are entitled to certain severance benefits. As discussed above, Mr. Elders' employment with the Company ended April 30, 2009. If Messrs. Burman, Chiles, Duncan or Stafford's employment is terminated by the Company without Cause or by the employee for Good Reason (as defined in the agreement), he would be entitled to a lump sum severance payment equal to a multiple of the sum of his annual base salary plus his current annual incentive target bonus for the full year in which the termination of employment occurred. For Messrs. Burman, Chiles, and Stafford, the multiple is two, and for Mr. Duncan, the multiple is 1.50, but his contract also provides for six months notice of termination. The definition of "Cause" includes, among other things, conviction of the officer of a crime involving moral turpitude or a felony, commission by the officer of fraud upon, or misappropriation of funds of, the Company, knowing engagement by the officer in any activity in direct competition with the Company, and a material breach by the officer of covenants related to confidentiality, non-competition and non-solicitation. The definition of "Good Reason" includes, among other things, a reduction in the officer's base salary or bonus opportunity, a relocation of more than fifty miles of the officer's principal office, a material failure of the Company to comply with any material provision of such employment agreement. Prior to terminating his employment for Good Reason, the officer must comply with the notice provisions of his employment agreement.

The following amounts would be payable if the listed officer's employment is terminated by the Company without Cause or by the employee for Good Reason.

X. AUDIT COMMITTEE REPORT

The Audit Committee's principal functions are to select each year a firm of independent auditors, to assist our Board in fulfilling its responsibility for oversight of the Company's accounting and internal control systems and principal accounting policies, to recommend to the Company's Board, based on its discussions with the Company's management and independent auditors, the inclusion of the audited financial statements in the Company's Annual Report on Form 10-K and to oversee the entire independent audit function. The Company believes that each of the five members of the Audit Committee satisfy the requirements of the applicable rules of the SEC and the NYSE as to independence, financial literacy and experience. Our Board has determined that at least one member, Ken C. Tamblyn, is an audit committee financial expert as defined by the SEC. Our Board has adopted a charter for the Audit Committee, a copy of which is posted on our website, www.bristowgroup.com, under the "Governance" caption.

In connection with the Company's consolidated financial statements for the fiscal year ended March 31, 2009, the Audit Committee has:

- reviewed and discussed the audited financial statements with management;
- discussed with the Company's independent auditors, KPMG LLP, the matters required to be discussed by Statements on Auditing Standards No. 61, as amended;
- received the written disclosures and the letter from KPMG LLP as required by Independence Standards Board Standard No. 1 and discussed with the auditors their independence; and,
- considered whether the provision of services by KPMG LLP not related to the audit of the Company's consolidated financial statements and the review of the Company's interim financial statements is compatible with maintaining the independence of KPMG LLP.

Based on the review and discussions with the Company's management and independent auditors, as set forth above, the Audit Committee recommended to the Company's Board, and our Board has approved, that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended March 31, 2009, as filed with the SEC.

XI. RELATIONSHIP WITH INDEPENDENT PUBLIC ACCOUNTANTS

KPMG conducted the examination of the Company's financial statements for the fiscal year 2009. Representatives of KPMG are expected to be present at the Annual Meeting with the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

During the Company's two most recent fiscal years, the Company did not consult KPMG with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements, or any other matters or reportable events listed in the Items 304(a)(2)(i) and (ii) of Regulation S-K.

Accounting Fees and Services

Set forth below are the fees paid by the Company to KPMG for the fiscal years indicated.

| | 2009 | 2008 |
|--------------------|--------------|--------------|
| Audit Fees | \$ 1,699,115 | \$ 2,001,485 |
| Audit-Related Fees | \$ 203,459 | \$ 307,233 |
| Tax Fees | \$ 230,199 | \$ 390,866 |

Description of Non-Audit Services

Audit fees for each period include costs to assess our internal controls over financial reporting.

Audit-Related Fees — audit-related fees for fiscal year 2008 related principally to the Company's offering of its 7½% Senior Notes. Audit-related fees for fiscal year 2009 related principally to our offering of common stock and 3% Convertible Senior Notes in June 2008.

Tax Fees — tax fees included fees for tax compliance, tax advice and tax planning services rendered by the Company's independent accountants.

Audit Committee Pre-Approval Policies and Procedures

Our Audit Committee has policies and procedures that require the pre-approval by the Audit Committee of all fees paid to, and all services performed by, our independent accounting firm. At the beginning of each year, the Audit Committee approves the proposed services, including the nature, type and scope of services contemplated and the related fees, to be rendered by KPMG during the year. In addition, Audit Committee pre-approval is also required for those engagements that may arise during the course of the year that are outside the scope of the initial services and fees pre-approved by the Audit Committee.

Our Audit Committee policy requires prior Audit Committee approval of all services performed by our independent accounting firm, regardless of the scope of such services. The Audit Committee has delegated this prior approval authority to its Chairman for all non-audit services undertaken in the ordinary course. Any services approved by the Audit Committee Chairman pursuant to this delegated authority must be reported to the full Audit Committee at its next regularly scheduled meeting.

Pursuant to the Sarbanes-Oxley Act of 2002, the fees and services provided as noted in the table above were authorized and approved by the Audit Committee in compliance with the pre-approval policies and procedures described herein.

Approval and Ratification of Independent Public Accountant

The Audit Committee of the Company's Board has selected the firm of KPMG as the Company's independent auditors for fiscal year 2010. Stockholder approval and ratification of this selection is not required by law or by the bylaws of the Company. Nevertheless, our Board has chosen to submit it to the stockholders for their approval and ratification. Of the shares represented and entitled to vote at the Annual Meeting (whether in person or by proxy), more votes must be cast in favor of than votes cast against the proposal to ratify and approve the selection of KPMG as the Company's independent auditors for fiscal year 2010, in order for this proposal to be adopted. The Proxyholder named in the accompanying proxy card will vote FOR the foregoing proposal unless otherwise directed therein. Abstentions will not be counted either as a vote FOR or as a vote AGAINST the proposal to ratify and approve the selection of KPMG as the Company's independent auditors for fiscal year 2010. Broker nonvotes will be treated as not present for purposes of calculating the vote with respect to the foregoing proposal, and will not be counted either as a vote FOR or AGAINST or as an ABSTENTION with respect thereto. If more votes are cast AGAINST this proposal than FOR, our Board will take such decision into consideration in selecting independent auditors for the Company.

Our Board recommends a vote FOR the approval and ratification of the selection of KPMG LLP as the Company's independent auditors for fiscal year 2010.

XII. OTHER MATTERS

Compensation Committee Interlocks and Insider Participation

No member of the Compensation Committee during the fiscal year 2009 was an officer or employee of the Company or was formerly an officer of the Company. No member of the Compensation Committee had any relationship requiring disclosure by the Company under any paragraph of Item 404 of Regulation S-K (Transaction with Related Persons, Promoters and Certain Control Persons), except for Mr. Wyatt who serves as a director (without compensation) of our affiliate, Bristow Aviation Holdings Limited described below.

Transactions with Related Persons

On December 19, 1996, the Company acquired 49% of the common stock and other significant economic interest in Bristow Aviation Holdings Limited ("Bristow Aviation"), a U.K. corporation, which holds all of the outstanding shares in Bristow Helicopter Group Limited ("BHGL"), pursuant to a Master Agreement dated December 12, 1996, among the Company, Caledonia Industrial Services Limited ("CIS"), a predecessor in interest to Caledonia, and certain other persons (the "Master Agreement"). As a result primarily of that transaction, CIS became the beneficial owner of 1,752,754 shares of our common stock. The Master Agreement provides that so long as CIS (now Caledonia) owns (1) at least 1,000,000 shares of our common stock or (2) at least 49% of the total outstanding ordinary shares of Bristow Aviation, it will have the right to designate two persons for nomination to our Board and to replace any directors so nominated. Pursuant to the Master Agreement, Caledonia designated Jonathan H. Cartwright and William P. Wyatt for nomination to our Board, and they were duly elected in August 2008. Caledonia has designated Messrs. Wyatt and Cartwright for nomination to our Board to be voted on at the Annual Meeting. On December 4, 2002, CIS: (i) sold to Caledonia all its holdings of our common stock and our 6% Convertible Subordinated Notes (the "6% Notes") and (ii) transferred to Caledonia all of its rights and obligations under the Master Agreement and related documents. On July 29, 2003, we redeemed the 6% Notes with a portion of the proceeds from our sale of \$230.0 million principal amount of 6 1/8% Senior Notes due 2013. This reduced the amount of our common stock beneficially owned by Caledonia to 1,300,000 shares at that time.

The 1996 transaction also included certain executory obligations of the parties that remain in effect between us and Caledonia and its affiliates, certain of which are described below. All such obligations were the result of arms' length negotiations between the parties that were concluded before Messrs. Cartwright and Wyatt were nominated or elected to our Board and are, in our view, fair and reasonable to the Company.

In connection with the Bristow Aviation transaction, we and Caledonia also entered into a Put/Call Agreement whereunder, upon giving specified prior notice, we have the right to buy all the Bristow Aviation shares held by Caledonia, who, in turn, has the right to sell such shares to us. Under the current United Kingdom law, we would be required, in order for Bristow Aviation to retain its operating license, to find a qualified European Union investor to own any Bristow Aviation shares we have a right or obligation to acquire pursuant to the Put/Call Agreement. Any put or call of the Bristow Aviation shares will be subject to the approval of the Civil Aviation Authority.

In connection with the Bristow Aviation transaction, we acquired £91.0 million (approximately \$144.0 million) in principal amount of 13.5% subordinated unsecured loan stock (debt) of Bristow Aviation. Bristow Aviation had the right and elected to defer payment of interest on the loan stock. Any deferred interest also accrues interest at an annual rate of 13.5%. With our agreement, no interest payments have been made through March 31, 2009.

In March 2004, the Company prepaid a portion of the put/call option price to Caledonia, representing the amount of guaranteed return since inception, amounting to \$11.4 million. In consideration of this, the shareholders of Bristow Aviation agreed to reduce the guaranteed return factor used in calculating the put/call option price, effective April 1, 2004, from 12% per annum to LIBOR plus 3%. In May 2004, the Company acquired eight million shares of deferred stock, essentially a subordinated class of stock with no voting rights, from Bristow Aviation for £1 per share (\$14.4 million in total). Bristow Aviation used these proceeds to redeem £8 million (\$14.4 million) of its ordinary share capital at par value on a pro rata basis from all its outstanding shareholders, including the Company. The result of these changes was to reduce the cost of the guaranteed return to the other shareholders by \$2.3 million on an annual basis.

In January 1998, we loaned £50.0 million to Bristow Aviation to refinance certain of its indebtedness. The loan was to mature on January 15, 2008 and bore interest at an annual rate of 8.335%, but its maturity was extended until January 15, 2018. During fiscal year 2009, we received \$2.9 million in interest payments under the loan. In December 2002, Bristow Aviation advanced to us \$10.0 million under a demand note that bears interest at an annual rate of 8.335%. In December 2005, Bristow Aviation advanced to us \$15 million under a demand note that bears interest at an annual rate of 8.335%. All of the demand notes were repaid by the end of fiscal year 2008. Additionally, in fiscal year 2009, Bristow Aviation repaid the £50.0 million and no amount was outstanding at March 31, 2009.

During September and October 2006, we conducted a public offering of 4,600,000 shares of our 5.50% Mandatory Convertible Preferred Stock, par value \$0.01 per share and liquidation preference of \$50.00 per share (the "Preferred Stock"). Caledonia purchased an aggregate of 300,000 shares of the Preferred Stock in this offering at a price equal to the public offering price. The underwriters for this offering received no discount or commission on the sale of these 300,000 shares to Caledonia.

In June 2008, we issued 4,715,000 shares of Common Stock at \$46.87 per share through a public offering. For additional information, see Note 10 to our consolidated financial statements in our Annual Report on Form 10-K for fiscal year 2009. Additionally, we issued 281,900 shares of Common Stock through a private placement to Caledonia. The shares sold to Caledonia were also at a price of \$46.87 per share and generated proceeds of \$13.2 million. This purchase increased Caledonia's holdings in our securities to 2,256,880 shares of common stock (which includes 347,280 shares of common stock issuable upon conversion of the 300,000 shares of Preferred Stock of the Company) (See "Security Ownership of Certain Beneficial Owners and Management"). In fiscal year 2009, we paid \$0.8 million as dividends to Caledonia on such Preferred Stock.

During fiscal year 2009, we leased an average of 40 aircraft to Bristow Aviation, or its subsidiaries, and received total lease payments of approximately \$55.3 million. During fiscal year 2009, Bristow Aviation, or its subsidiaries, leased approximately four aircraft and charged aircraft maintenance costs to us, and we paid total lease payments of \$2.0 million.

The foregoing transactions with Bristow Aviation are eliminated for financial reporting purposes in consolidation.

Beginning in September 2004, the Company began paying to Caledonia the amount of guaranteed return on the put/call on a quarterly basis. In fiscal year 2009, the Company paid to Caledonia \$0.1 million representing the amount due for the period from January 1, 2008 to December 31, 2008.

Review and Approval of Related Party Transactions

Currently, related party transactions fall under the auspices of our Code of Business Integrity. We are in the process of finalizing a specific written policy governing transactions with related parties that applies to all transactions required to be disclosed as related party transactions under Item 404 of Regulation S-K. Under this policy, all such related person transactions are required to be approved or ratified by the Audit Committee in accordance with the guidelines set forth in the policy. No member of the Audit Committee may review or approve any transaction or amendment if he is involved directly or indirectly in the transaction. Our Board may also decide that a majority of directors disinterested in the transaction will review and approve a particular transaction or amendment. When reviewing and approving a related person transaction, the Audit Committee will be required to fully inform itself about the related party's relationship and interest regarding the material facts of the proposed transaction and determine that the transaction is fair to the Company.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors, officers, and certain beneficial owners (collectively, "Section 16 Persons") to file with the Securities and Exchange Commission and NYSE reports of beneficial ownership on Form 3 and reports of changes in ownership on Form 4 or 5. Copies of all such reports are required to be furnished to us. To our knowledge, based solely on a review of the copies of Section 16(a) reports furnished to us for fiscal year 2009 and other information, all filing requirements for the Section 16 Persons have been complied with during or with respect to fiscal year 2009.

General

The cost of soliciting Proxies will be borne by us, and upon request, we will reimburse brokerage firms, banks, trustees, nominees and other persons for their out-of-pocket expenses in forwarding proxy materials to the beneficial owners of our securities. Our directors, officers and employees may, but without compensation other than regular compensation, solicit Proxies by telephone, telegraph, or personal interview.

Householding

The Securities and Exchange Commission permits a single set of annual reports and proxy statements to be sent to any household at which two or more stockholders reside if they appear to be members of the same family. Each stockholder continues to receive a separate proxy card. This procedure, referred to as householding, reduces the volume of duplicate information stockholders receive and reduces mailing and printing expenses. A number of brokerage firms have instituted householding. As a result, if you hold your shares through a broker and you reside at an address at which two or more stockholders reside, you will likely be receiving only one annual report and proxy statement unless any stockholder at that address has given the broker contrary instructions. However, if any such beneficial stockholder residing at such an address wishes to receive a separate annual report or proxy statement in the future, or if any such beneficial stockholder that elected to continue to receive separate annual reports or proxy statements wishes to receive a single annual report or proxy statement in the future, that stockholder should contact their broker or send a request to Secretary, Bristow Group Inc., 2000 W. Sam Houston Pkwy. S., Suite 1700, Houston, Texas 77042, telephone number (713) 267-7600.

Upon the written request of any stockholder entitled to vote at the Annual Meeting, we will provide, without charge, a copy of our Annual Report on Form 10-K for fiscal year 2009. Any such request should be directed to Secretary, Bristow Group Inc., 2000 W. Sam Houston Pkwy. S., Suite 1700, Houston, Texas 77042, telephone number (713) 267-7600. Requests from beneficial owners of our shares must set forth a good faith representation that as of June 9, 2009, the requester was a beneficial owner of shares entitled to vote at the Annual Meeting.
